

Family Letter

Dear Family,

In the first half of Unit 8, your child will be learning to recognize and describe geometric figures. One type of figure is an angle. Your child will use a protractor to find the measures of angles.

Other figures, such as triangles, may be named based on their angles and sides.

Right triangle

One right angle (90°)

Acute triangle

All angles less than 90°

Obtuse triangle

One angle greater than 90°

Equilateral triangle

all three sides of equal length

Isosceles triangle

two sides of equal length

Scalene triangle

three sides of different lengths

Be sure that your child continues to review and practice the basics of multiplication and division. A good understanding of the basics will be very important in later math courses when students learn more difficult concepts in multiplication and division.

If you have any questions or comments, please call or write to me.

Thank you.

Sincerely,
Your child's teacher

COMMON
CORE

This unit includes the Common Core Standards for Mathematical Content for Measurement and Data, 4.MD.5, 4.MD.5a, 4.MD.5b, 4.MD.6, 4.MD.7; Geometry, 4.G.1, 4.G.2; and all the Mathematical Practices.

Dear Family,

Your child has been learning about geometry throughout this unit. In this second half of the unit, your child will be learning how to recognize and describe a group of geometric figures called quadrilaterals, which get their name because they have four (*quad-*) sides (*-lateral*). Five different kinds of quadrilaterals are shown here.

Square
4 equal sides
opposite sides parallel
4 right angles

Rectangle
2 pairs of parallel sides
4 right angles

Rhombus
4 equal sides
opposite sides parallel

Parallelogram
2 pairs of parallel sides

Trapezoid
exactly 1 pair of opposite sides parallel

If you have any questions or comments, please call or write to me.

Sincerely,
Your child's teacher

This unit includes the Common Core Standards for Mathematical Content for Operations and Algebraic Thinking, 4.OA.5; Geometry, 4.G.1, 4.G.2, 4.G.3; and all the Mathematical Practices.
